

# Direction to the Jr. Rocky Mountain Open Gymnastics Meet Cadet Gymnasium, US Air Force Academy Colorado Springs, CO

If this is your first time to this meet, the meet is held in the Cadet Gymnasium, which is in the same parking area as the Air Force Academy Field House. Exit I-25 at the north Air Force Academy exit (156B). You will have to pass through the security check point and most likely will have to show some form of ID. Your vehicle is also subject to search so be sure to allow enough time to arrive at the gym on time.

Once you leave security, continue west on the main road (North Gate Boulevard) until you see signs for the Field House. You will make a left turn onto Parade Loop and then a right turn onto Field House Drive, again following the signs for the Field House. Once you park near the Field House, you will have to walk a bit to the west past the Field House and another building that looks like offices. Continue west toward the tennis courts and you will see the Cadet gym. Enter on the east side of this building and walk all the way down to the far end to get to the gymnastics area. There should be signs once you get to the Cadet Gym pointing you in the correct direction. Please see the map below.
